### Cruise highlights

LESSONS ARE INCLUDED  
DURING YOUR ABA  
DANCIN' ON THE HIGH SEAS CRUISE

**Island of Cozumel** The ancient city of Tulum features awe-inspiring Mayan temples and ruins overlooking the sea. You'll also have the chance to swim with dolphins at Chankanaab National Marine Park or snorkel at the famous Palancar Reef.

#### Costa Maya (Mahahual)

The sleepy fishing village of Mahahual is your gateway to Costa Maya. Here in the dense tropical forest and mangrove thickets of the southern Yucatan flourished the great Mayan civilization. During the Classic Period (200 - 1000 B.C.), the Maya erected elaborate stone cities of stepped pyramids, plazas, and palaces. Keen astronomers, they also developed a sophisticated mathematics, a highly accurate calendar, and a complex system of writing. Then, this fascinating culture literally disappeared as the Maya deserted their city complexes for the jungle interior. Today, visitors to Costa Maya can explore the ruins of the once great cities of Kohunlich, Dzibanché, and Chacchoben.

**Belize City** The Belize Barrier reef is a UNESCO World Heritage Site, considered one of the most fascinating living reef systems in the world. Ashore, there are stunning Maya ruins deep in the rainforest at Altun Ha, or you can go river tubing in massive caves.
